Professional Summary

Marketing Automation and Integration Specialist with 2+ years of hands-on experience in Adobe Marketo Engage, REST API integrations, campaign operations, and workflow automation across global B2B marketing teams. Adobe Certified Expert with proven ability to deliver end-to-end automation solutions, integrations, and data quality operations. Currently pursuing M.Tech in AI & ML at BITS Pilani, certified as Claude Certified Architect – Foundations (Anthropic), and building applied skills in Python and AI-enabled workflows.

Technical Skills

Programming and Data: Python, SQL(Basics)

Automation and Platforms: Adobe Marketo Engage, PEGA, Alteryx Designer

Integrations & Event Platforms: Goldcast, ON24, ZoomInfo

Web Technologies: HTML, CSS, Bootstrap, Acquia Drupal

Professional Skills: Process Documentation, Client-Facing Communication, Cross-Functional Coordination, Problem Solving

Professional Experience

Associate Platform Consultant

Bounteous x Accolite, Chennai

Jul 2024 - Present

- Manage end-to-end marketing automation workflows for global programs, partnering closely with cross-functional Sales and Marketing teams to translate complex business logic into automated Marketo smart lists and segments that power target-account nurture streams.

- Build and maintain engagement programs, smart campaigns, lead scoring models, and automated nurture workflows.
- Led Goldcast and Adobe Marketo integration to automate lead capture, post-event follow-up, and data synchronization, reducing manual event processing time by 40%.
- Developed Alteryx automation workflows using Marketo REST API to streamline bulk lead uploads, field updates, and list management.
- Configured operational programs for deduplication, lead routing, and data enrichment integrations (ZoomInfo/Leadspace) to automate job title classification, building scalable segmentation frameworks in Marketo based on persona and function.
- Created process documentation for automation workflows and integrations, reducing recurring support tickets by 30%.
- Received the Game Changer award for cross-functional collaboration and measurable improvements in campaign execution quality.

Campaign Specialist

Bounteous x Accolite, Chennai

Dec 2023 - Jul 2024

- Executed high-volume, end-to-end B2B email campaigns in Adobe Marketo Engage, leveraging advanced segmentation, dynamic content, and A/B testing to drive engagement.
- Managed ON24 webinar campaigns integrated with Adobe Marketo for automated lead capture, nurture follow-up, and Salesforce synchronization.
- Performed campaign QA using structured validation checklists to ensure accurate execution and zero-defect delivery.
- Mentored 3 junior team members on campaign workflows and automation processes, reducing ramp-up time by 2 weeks per hire.
- Earned client appreciation for execution quality and was nominated for Rookie of the Year.

Software Analyst (Training)

Bounteous, Chennai

Jun 2023 - Dec 2023

- Built and maintained CMS pages in Acquia Drupal.

- Developed responsive page layouts using HTML, CSS, Bootstrap, and Twig templates.
- Supported creation of marketing-ready web pages aligned with UI standards.

Education

M.Tech in Artificial Intelligence and Machine Learning

BITS Pilani (WILP)

Present

B.E. in Electronics and Communication Engineering

Rajalakshmi Engineering College, Chennai

2023
